Re: Civ. No. 05-626-JJF  
Extending Deadline  
of June 23, USM-285

JJF,

On June 13th, 2006, I was transferred to DCC, my property was packed into 5 trash bags by the officers at Gander Hill, DCC sent a bus from here to pick us up, to be transported and they would only allow (2) two of my five bags to come with me, "of which", I did not get the opportunity to pick what I needed, I also still have not received my personal property and therefore have no idea if my legal work even came at all. I am housed in C-Building, Pre-trial and I am not allowed access to the Law Library; and even though I have written and requested (3) three USM-285 forms and for the legal advisor to look up the address of the (3) three Doctors and I still have not received any information at all from them.

This day, June 18th, 2006, I Ricky J Hamby request that my Dead line of June 23, 06. be extended due too unforeseen circumstances

I have no control over. I also inform this court that I have notified every official, Sgt. George, Sgt. Little, Captain Henry, property officer, Counselor Hickey of the importance of my receiving my legal mail in my personal property and of the Dead line of June 23, 06, to no avail. Sgt. George and Sgt. Little, both on different shifts made phone calls attempting to get my property to see 'if' my legal work even came and I still have not received any property (personal), nor have I heard or received any information from the Law Library. Please Understand and extend my time limit.

Respectfully Requested  
Ricky J Hamby
